

ACI Concrete Field Testing Technician Certification Grade 1

Sponsored by: **Arkansas Ready Mixed Concrete Association**
www.concretearkansas.org

WHO SHOULD ATTEND

This program is for anyone who is responsible for fresh concrete testing: testing laboratory technicians, contractors, quality control personnel, supervisors, architects, engineers, inspectors and ready mixed concrete personnel.

WHY YOU SHOULD ATTEND

ASTM C94, C31, ACI 301 and many other specifications require that all field tests be performed by a person whose training is equivalent to the ACI Concrete Field Testing Technician Grade 1 Program.

HOW TO REGISTER

Complete this registration form and mail it with your payment or register online at www.concretearkansas.org. Be sure to indicate on the registration form which program and the date (s) you will be attending.

Persons attending the course will be required to sign a "Release from Negligence" document.

Attendees must bring photo ID, calculator, safety glasses & # 2 pencil. Dress appropriately for working with concrete, closed toe shoes required.

For further information call ARMCA at 501-663-8335. Official registration and fees must be received before you are considered registered. Study materials will be mailed only after receipt of payment unless special arrangements have been made.

Advanced study of the workbook is highly recommended. The 1st day is intended as a **review of the testing** procedures and is optional. Participants are not required to attend the first day, but are strongly encouraged to do so.

CANCELLATION POLICY Cancellation by a participant must be made **in writing, seven (7) days** prior to class, to receive a refund of the registration fee **less cost of study materials.** Substitution may be made without prior approval. Substitutes must notify the program chairman upon arrival.
